Events

Kindergarten, first, and second grade moms, mark your calendars and get ready to be celebrated! You won't want to miss spending the morning being pampered by your little one for Mother's Day.

It's been a while since Splash Lab has been to our campus. 3rd - 8th grade will enjoy water experiments with the visiting scientists.

Parent Connection will begin coin wars this month. What will be in store for the "winning" teacher this year?
