FOUNDATIONS

MISSION STATEMENT

The mission of Valley Christian School (VCS) is to bring honor to Jesus Christ through Christian education. A priority is to draw all students to a complete faith in Jesus Christ by training them to live selfless lives pleasing to Him. We will provide a strong academic ministry that prepares students to understand God and the world He created. *“For by Him were all things created that are in Heaven... and by Him all things consist.”* (Colossians 1:16-17)

VCS will present a Bible-based philosophy of education that places Christ at the center of all things. The administration works to attract and retain quality teachers who are committed to your children and the ministry of VCS. The faculty takes seriously the goal of educating students academically, spiritually, and socially. Our policies are designed to develop Christian character and we will point students to the Lordship of Jesus Christ.

We appreciate your affirmation in backing this school through prayer support, financial support, and support of the school policies and rules. We expect you to be in harmony with the spiritual, academic, and social purposes of the school. While we realize that no two people will agree on everything, we value your trust and support of VCS's administration and Valley Bible Church's Board of Elders.

PHILOSOPHY OF EDUCATION

Valley Christian School emphasizes the need for each student to reach his or her full potential in academic achievement. As a Christian School, we are dedicated to a balanced approach of teaching the dynamics of living a Christ-centered life, along with a firm foundation of education skills. We view our task through the lens of the following convictions:

1. WE ARE AN EXTENSION OF THE HOME:

In Proverbs 22:6 it is written: *“Train up a child in the way he should go, and when he is old he will not depart from it.”* Parents are the child's first and most important teachers, and we will help, support, and guide you as needed.

2. WE ARE AN EXTENSION OF VALLEY BIBLE CHURCH:

The mandate of the church of Jesus Christ is to *“Go...and make disciples of all nations”* (Matthew 28:19). Although Valley Christian School is not designed as a direct outreach to our community, we do have two goals:

- a. We seek to do all that is within our ability to provide each of the students with opportunities to develop an active, thriving relationship with our Lord and Savior.
- b. We seek to build into each student the skills that are necessary to intelligently and confidently represent Jesus Christ to the world.

FACULTY

As faculty members of VCS, we recognize our privilege and responsibility of being daily spiritual mentors for our students and pledge to lead a life that reflects a personal and vital relationship with Jesus Christ.

ACSI AFFILIATION

Valley Christian School is a member of the Association of Christian Schools International (ACSI). ACSI provides an ongoing training and support program for faculty and administrators to ensure excellence in every area of the Christian school program.

CHURCH INVOLVEMENT

Students and parents are encouraged to regularly attend a Bible-believing church. To live a Christian life, a student needs consistent support from church, home, and school.

OPPORTUNITY

Attendance at this school is a **PRIVILEGE** and not a right. The goal of this school is to train Christian youth in the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity and good citizenship. Valley Christian School is not designed to reform a child who has been in trouble at previous schools.

VCS stands, without apology, for the gospel and the highest standard of morality and Christian behavior. VCS is an extension of, not a substitute for, the Christian home that trains students in a Christian environment for time and eternity. It is our desire at Valley Christian School to have quality in the classroom and build character in the student.

GENERAL INFORMATION

OFFICE HOURS

Office hours are 7:30am until 3:00pm on school days.

ARRIVAL AND DISMISSAL PROCEDURES

Students may arrive between 7:45am-7:55am. Prior to 7:45am they will need to be signed in to before school care. Students arriving after 8:00am are considered tardy and must go through the front office prior to going to chapel or class.

For dismissal, students may be picked up in the carpool line. Parents are asked to please remain in cars during the pick-up process. Please do not park in the center of the pick-up line. Parents who park in the parking lot should wait on the office side of the building for students to come around. Only kindergarten is dismissed from the tent side of the building. [Please refer to the Parking and Drop Off & Pick Up Map located on the home page of the school website.](#)

Students will be released to a parent/guardian or other authorized persons listed in the Transportation section of your ParentsWeb account. In order to provide a safe dismissal, VCS requires **written notification** when changes need to be made to your child's pickup routine. You can always update your student's list through your ParentsWeb account.

EXTENDED CARE SUPERVISION

At Valley Christian School, we take our responsibilities seriously, especially when it comes to the personal safety of your child. Each day we will make every effort to provide direct adult supervision for every student.

- **Before Care (7:00am - 7:55am)**

If arriving before 7:45am, students **must** sign in to Before Care. The cost for Before Care is \$6.00 per student, per hour and is prorated.

- **After Care (2:15pm – 6:00pm)**

Kindergartners on campus at 2:20pm will be signed in to After Care. When the 2:35pm bell rings, all remaining 1st – 8th grade students will be checked in to the After Care program for their safety. Parents must enter through the pedestrian gate on the tent side of the building to pick up students. After Care Supervisors will mark the time in the log book. The cost of after care is \$6.00 per student per hour. Flat rate contracts are also available.

After care ends promptly at 6pm. If you are running late, please call the school cell phone to notify our supervisors. Families will be charged \$1 per minute if arriving after 6pm.

Students are not allowed to operate the pedestrian gates. We ask that parents enter the campus gate to pick up students.

Hourly costs for Before and After Care will be added to the following month's billing statement and are prorated.

TELEPHONE/CELL PHONE POLICY

We do not allow students to call or text home from personal cell phones. Students will be permitted to use the office phone in situations where they need to reach a parent.

Cell phones may be brought to school and kept in the locker or backpack, but students may not use them to make calls or send texts under any circumstances. With permission and under the direct supervision of classroom teachers, smartphones may be used for academic purposes. If a cell phone goes off during class or is used without permission, the phone will be taken away and held in the office for parent pick up. The above cell phone policy applies to Extended Care.

GAMES AND TOYS

Teachers may approve toys for share time; however, children may not bring toys with which to play during recess or lunch. Toy guns and knives are never allowed. The school is not responsible for any lost or broken items.

FIELD TRIP GUIDELINES

We believe field trips to be an important extension of the classroom. Just as in the classroom, the teacher is in charge of students, their activities, their behavior, and the

learning objectives. Chaperones who volunteer for supervision and transportation are also under the teacher's charge; they must set the example of obedience by following the guidelines established by the teacher. Ignoring the teacher's directions undermines his/her authority.

PARENT GUIDELINES FOR FIELD TRIPS

- Drivers must have a current copy of their license and car insurance on file in the office prior to driving for any field trips.
- Field trip drivers and chaperones must be 21 years or older.
- The teacher and field trip coordinator will determine the number of chaperones needed.
- In addition to providing transportation, chaperones are required **to remain with and supervise the students in their group under the direction of the teacher during field trip activities.**
- Field trips are first and foremost for the students in the class. Siblings of students will only be allowed if the teacher or school administrator approves.
- **All** students are expected to attend field trips under the covering and authority of the school.
- Separate travel arrangements for individual students will be at the discretion of the teacher.
- All drivers and chaperones **must** arrive at the school and be prepared to leave at least 10 minutes prior to the field trip departure to receive instructions and requirements from the teacher or coordinator.
- All chaperones are expected to keep to the established field trip route of travel. They **cannot** deviate at any time for personal errands, shopping, snack stops, etc.
- Chaperones must respect the arranged schedule by arriving on time and leaving the field trip site at the designated time.
- Chaperones are representatives of the school and should dress and behave appropriately to reflect a Christian standard.
- It is expected that chaperones will exercise common sense in supervising students.
- No videos are to be played in the vehicle while on field trips. Discretion must be used when playing music.
- If chaperones arrive early, they must wait for the teacher to arrive before checking in or entering the field trip site.
- All the above guidelines apply to driving participants for school sporting events.
- California law states that children under age 8 must be properly buckled into a car seat or booster in the back seat of the vehicle.

STUDENT GUIDELINES FOR FIELD TRIPS

- Remember that field trips are a privilege, not a right.
- Students who are not at school by the departure time will be placed in another classroom for the day, as the field trip class **must** leave on time.
- Students must recognize the teacher as the primary authority on field trips.
- **All** participants on the trip should be good representatives of the school.
- All students must wear uniforms on field trips.

- All students **MUST STAY** with the chaperones appointed to them by the teacher.
- All school rules apply to off campus trips, including the use of cell phones.

PLAGIARISM AND ACADEMIC HONESTY

All students are responsible for upholding the principles of academic honesty. Incidents that involve suspected violations of these principles will be taken very seriously. Students found in violation of academic honesty principles may receive a failing grade on the assignment or in the course itself.

STUDENT RECORDS

Provisions of the California Education Code have authorized parents, in consultation with school personnel, to inspect the school records of their children. Federal legislation

further emphasizes parental rights to review their children's school records. If at any time you wish to look at your child's school records, please contact the office to set up an appointment.

Other provisions of federal and state laws protect your right by restricting release of information from students' records. Only specified individuals and agencies have access to such information under the law, and such persons reviewing a record must sign a statement indicating the purpose of the review and restricting the further release of information. Other persons may be permitted review, with the written consent of the parents (or the student if he/she is 18 years of age or older). The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records.

PROMOTION POLICY

If a student receives an "F" average in one core subject for the school year, he/she will not be promoted to the next grade level until the satisfactory completion of an academic summer program that has been approved by VCS faculty and administration. Upon receiving a passing grade in the summer program, the student will then be promoted to the next grade level.

ASB, SPORTS, AND CHEER ACADEMIC REQUIREMENTS

All students participating in school sponsored extracurricular activities must be in good academic and behavioral standing at VCS. If a student is placed on academic or behavioral probation, he/she will no longer be eligible for participation in the activity. The administrator will determine final outcome.

SCHOOL POLICIES

ATTENDANCE POLICIES

It is understood that faithful and regular attendance in school is crucial to a student's academic progress and achievement. Not only is consistent school attendance necessary for good scholarship, it is required by California state law (California Education Code 48260).

PUNCTUALITY AND TARDIES

Students who are not in the chapel by 8:00am are considered tardy and must stop in the office for a tardy slip. If a student is tardy more than **three** times in a year, he/she will not receive perfect attendance. It is important that students arrive on time to school. Punctuality demonstrates self-discipline and responsibility. Self-discipline in this area is not only important for proper academic achievement, but it is essential for the development of good habits which are characteristic of success and good citizenship in every walk of life.

A Special note to parents:

Although, we provide grace for those unforeseen problems that come up due to traffic accidents and weather, we want students to develop the habit of being punctual, much as one must be on time for work. Excessive tardiness can not be allowed to continue, even if the tardiness isn't caused by the student, and a parent/administration meeting will be required to address the situation and seek a solution.

SIGN OUT PROCEDURES

Parents must come to the office to sign students out. Adults who check a student out must be listed on the student's current Emergency/Transportation list and be prepared to show valid picture identification.

ABSENCES

1. **Call the Office:** We request that parents notify the office by 9:00am if a student is absent. If you do not call or email, someone from the office will contact you.
2. **Anticipated absences:** If your child is going to participate in a special family trip, event, or a church retreat, please obtain an Anticipated Absence Form from the office at least one week in advance. Your child's teacher can then prepare a packet of assignments covering the days the student will miss.
3. **Partial day:** A student who is not present for four hours of the school day will be marked absent. In the event of an appointment during school hours, we require a note in the agenda, written notification sent to the office, or a phone call stating at what time you will pick up your child.
4. **Extended absences:** If a student is out for an extended absence, parents should make arrangements to routinely pick up missed work. Failure to turn in work on time following an absence will result in lowered grades.
5. **Sudden illness at school:** If a student develops a fever of 100 degrees or higher, parents will be asked to come pick up their child.
6. **Students who have excessive absences may be under review by teachers and administration and may be retained when necessary.**

MAKE-UP WORK

Make up work for absent students will be available in the office after lunch. Please call to arrange a pick up time.

Middle School:

When a 5th – 8th grader misses class, he or she misses lectures given by the teachers. This cannot be re-taught by the teachers. It is the student's responsibility to get all notes from fellow students and to obtain and complete the assignments.

CONDUCT POLICIES

Philosophy of Discipline: VCS desires to partner with parents to help students excel academically, socially, and spiritually and to understand that they are responsible for

the choices they make. The main objective of the discipline policy is to assist students in making correct behavioral choices that honor God. In order to accomplish this goal, we have set discipline standards that are enforced fairly, consistently, timely, and lovingly. Only serious or repeated offenses will be referred to the administration.

DISCIPLINE POLICIES

- **The Elementary Department** utilizes a color-coded system for undesired behavior.
- **The Upper Department** utilizes a classroom detention system for undesired behavior.

A typical course of action in either department may include:

- Verbal warning
- Loss of privileges
- Student/Teacher conference
- Detention
- Parent involvement

SUSPENSION

When the above corrective measures have been ineffective, the next step is suspension. It will be used when other corrective measures have failed, or when a serious offense has been committed.

Based on the circumstances of the suspension, the administration will decide if the student will receive a "zero" for all work assigned, including quizzes and tests, on the day/s of the suspension.

EXPULSION

Expulsion is an extreme consequence that occurs at the decision and discretion of the administration and the church elder board.

CRITERIA FOR EXPULSION:

1. May result after a series of interventions and suspensions, and when it is clear that the student continues behavior that is unacceptable.
2. May be the result of an intolerable event, in which the student has chosen to behave in a way that constitutes danger to others, or in a way that cannot be permitted under any circumstance.
3. May result if it is discovered that information on the student application form filled out by the parents is false, or parents left out vital information about the student's academic, medical, or behavioral history.
4. May result when there is continued disrespect of the rules of boy/girl contact.

The following sections of the California Education Code are the criteria used at Valley Christian School in which offenses will result in either suspension or expulsion.

- **E.C. 48900 (A) (1)** Cause, attempted to cause, or threatened to cause physical injury to another person.

- **E.C. 48900 (B)** Possessed, sold, or otherwise furnished a firearm, knife, explosive, or other dangerous object.
- **E.C. 48900 (C)** Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind to include tobacco/vape products.
- **E.C. 48900 (F)** Caused or attempted to cause damage to school property or private property.
- **E.C. 48900 (I)** Committed an obscene act or engaged in habitual profanity or vulgarity.
- **E.C. 48900 (K)** Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.
- **E.C. 48900 (R)** Engaged in an act of bullying. Bullying means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils.

You may go online to read all of the Behavior Codes.

WEAPONS AND VIOLENCE ISSUES

VCS has a no-tolerance policy involving weapons, threats of weapon use, or perceived threats of violence from students, and/or their family members. Parents should understand that the school's first responsibility is the protection of all students. VCS takes this responsibility very seriously; therefore, **if a student brings a weapon to school, we will immediately expel the student.** There is **no recourse** for this expulsion. Parents are advised that the school will contact police or appropriate authorities, and will note in the student's permanent record that he/she was expelled for possession of a weapon on school premises or at a school function. Possession includes, but is not necessarily limited to: having a weapon in a book bag, purse, backpack, or locker. What constitutes a weapon is at the sole discretion of the administrator.

If the school determines that a threat of violence is credible and specific (directed to a particular student or students and/or staff,) the school will also report the threat to appropriate authorities. **Students making such threats will be expelled.** There is no recourse for this expulsion. For purposes of this policy, "credible" means: *a reasonable suspicion, determined at the sole discretion of the administration, that the threat was, or might be genuine, or that the student was, or might be capable of carrying out the threat.* The student's permanent record will reflect the expulsion for making a threat of violence.

BULLYING

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. In order to be considered bullying, the behavior must be aggressive and include:

- An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once.

PORNOGRAPHIC MATERIAL

It has become an unfortunate reality in today's society that the Internet has made pornography easily accessible to children. Due to this fact, VCS deems it necessary to address this issue by stating: ***Any child possessing, distributing, or communicating obscene or pornographic material is subject to immediate expulsion. Any child using the school computers to purposefully access pornography sites, or to log on to social networking type sites during class time will be subject to immediate expulsion/suspension.***

CULT OR OCCULT MATERIALS

Because the Bible specifically addresses issues dealing with cults and the occult, VCS will NOT allow any materials relating to cults or the occult on campus. VCS staff, administration, and the church elder board reserve the right to deem what is/is not appropriate for a Christian campus. The possession of such materials may be subject to immediate expulsion at the discretion of the administration.

STUDENT SUCCESS TEAM

A Student Success Team is a group of educators working together with parents and students when issues arise that require supportive, responsive action. VCS wants to play an encouraging role in helping students succeed by utilizing a SAIL (Successfully Assisting Individual Learning) Team to provide an additional opportunity for administration, faculty, support staff, family members, and students to present concerns and plan a course of action, assign responsibilities, and monitor results. *SAIL is a problem solving team that assists in seeking positive solutions for maximizing student potential.*

Students who need intervention to address differences in learning style or ability, health issues, behavioral problems, or chronic tardiness will be assigned to a SAIL Team. The process SAIL uses to develop a plan of action includes the identification of student strengths, student needs, and potential solutions.

Once the plan has been implemented, SAIL reviews student progress to determine whether further interventions are required. As required by California State Education

Code, SAIL will maintain documentation of all interventions. *SAIL does not supersede regular classroom management strategies and/or school discipline policies.*

Uniform Requirements 2018/2019

PARENTS

ADMISSIONS AND FINANCIAL POLICIES

ADMISSIONS POLICY

This school admits students of any race, nationality, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to the students. It does not discriminate on the basis of race, national, or ethnic origin in the administration of its education policies, athletics, or other school-administered programs.

Upon admission to VCS there is a 30-day probationary period for all new students. At any time during the probationary period, students may be dis-enrolled.

RE-ENROLLMENT

Enrollment at VCS during a given school year does **not** guarantee enrollment for the following year.

When evaluating re-enrollment, the administrator uses the following criteria:

1. The student's academic progress and school behavior
2. Parental record for payment of fees and tuition
3. Openness to spiritual instruction
4. Adherence to school policies
5. Parental support of teachers, school policies, and administrative decisions

If there are areas of concern, the administrator and a member of the church elder board will meet with the family to discuss the student's re-enrollment.

FINANCIAL AGREEMENT

- Billing statements will be emailed on the 1st of the month. All payments are due by the 15th of the month, beginning in September. There will be ten (10) monthly payments each year unless paid in full.
- All payments on account not received by the 15th of the month will be considered late. A late charge of \$50 will be added to the unpaid balance.
- A \$25 service charge will be added to any account if the bank returns a check for any reason. Should a family have three (3) returned checks, we reserve the right to require the family to pay by cash only. Late fees may also apply.
- On the basis of enrollment and tuition contracts, the school incurs financial obligations for staff, facilities, and supplies; therefore, this contract is binding *unless* cancelled or pro-rated by the administration. Upon withdrawal at any time after the first day of school, 10% of the unpaid annual tuition will be

withheld from a refund or billed upon withdrawal. Charges will be computed on a monthly basis.

- Families experiencing hardship who are unable to make their monthly payment should contact the VCS administration immediately.
- Delinquent accounts of 30 days will result in suspension of special lunch orders and use of extended care. Should an account become 60 days delinquent, the student/s associated with the account may not attend school, participate in school activities, sports, attend field trips, take final exams or receive their report card/transcript. All necessary steps, including appropriate legal action will be taken to ensure payment.

HEALTH SERVICES

IMMUNIZATIONS AND PHYSICAL EXAMINATIONS

All new students entering Valley Christian School must present a current immunization record, with all immunizations showing the month, day, and year administered. All kindergartners are required to have a complete physical examination before starting school. To meet California State Requirements for school entry, the examinations should be given within six months of starting school. Students entering seventh grade are required to have Tdap boosters prior to the first day of school.

MEDICAL GUIDELINES

No faculty/staff member will be allowed to administer medications to any student for headaches, fever, or other reasons without written parental authorization. The authorization is part of the Emergency information collected through ParentsWeb.

All medications must be kept and administered in the school office. Students may not keep medications on their persons or in backpacks/lockers/cubbies.

Students who sustain a minor injury are to be seen by the office staff. The office staff will determine the response to the injury. This includes, but is not limited to, on-site treatment and contacting parents/guardians. If the student has a serious or life-threatening injury, we will call 911 and then notify parents/guardians.

EMERGENCY DAY PLAN

In the event of a local emergency, no student will be dismissed from school unless a parent (or individual designated in writing by a parent) comes for the student and signs them out.

No child will be allowed to leave with another person, even a relative or babysitter, **unless** we have **written permission** to that effect, or that particular person is listed in the student's emergency/transportation records kept in RenWeb. With this mind **PLEASE KEEP YOUR CHILD'S EMERGENCY/TRANSPORTATION INFORMATION UP-TO-DATE.** Current phone numbers are especially important.

We are prepared to care for your children in times of critical situations. If you are not able to reach the school, we will care for your child at VCS.

In the event of an emergency, we ask for help in the following areas:

- **DO NOT CALL THE SCHOOL!** We must have the lines open for emergency calls.
- Following an earthquake or other emergency, **do not immediately drive to Valley Christian School.** Streets and access to our school may be cluttered with debris. The streets **must remain clear** for emergency vehicles.
- Turn your radio to **1450 or 760 on the AM dial.** Emergency information and directions will be given over the radio.
- VCS will contact you as soon as possible.

PARENT INTERESTS

OPPORTUNITIES FOR INVOLVEMENT

Primarily, we ask that you commit to pray for the school, the students, the staff and the administration every day.

Valley Christian School believes that God has given the responsibility for a child's education to his/her parents/legal guardians. VCS serves to assist in this task. In order to support the education process, we ask that you take an active part in the activities at VCS. We urge you to attend all scheduled activities, orientations and any other specially called meetings affecting your child or children. It is necessary for each family to be represented at these informative and important gatherings.

You are also encouraged to volunteer to help in a variety of ways. These include: chaperoning field trips, assisting with class celebrations, serving as room parents, volunteering, and participating in Moms in Prayer and/or Parent Connection.

STUDENT BIRTHDAYS

Birthdays are special days. If a child would like to celebrate at school, a snack may be shared with all the classmates. Please make arrangements with your student's teacher **Party invitations may only be distributed at school if everyone in the class is included.**

COMMUNICATION BETWEEN SCHOOL AND FAMILY

CONFERENCES

At Valley Christian School, we believe good communication is essential. There will be one mandatory conference between the teacher and parents after 8 weeks of school. To keep the lines of communication open, please ensure that we have your current email address in RenWeb. Changes can always be made through your ParentsWeb account.

Additional conferences may be requested during the school year by the student's parents or teacher. Please contact the school office if you wish to schedule a conference. Automated weekly grade book updates will be sent via email.

vcsnavigators.com

VCS will be using primarily the website and emails to communicate with parents. VCS administration will send out an email to notify families when new information is posted. Student grades and billing statements will be sent via email.

CLOSED CAMPUS POLICY

Valley Christian School is a closed campus. During school hours, no student is permitted to leave the school grounds unless a parent/guardian signs them out through the office. Campus access is limited to parents and staff members who have our gate code. Visitors must call the office and be let in by office staff.

All visitors/volunteers must sign in at the school office and wear a visitor's/volunteer badge while on campus.

Students should **NEVER** be given the gate code. Families of students using the code to the pedestrian gates will be charged the cost of reprogramming by a locksmith. Parents are welcome to visit classes, but common courtesy dictates that arrangements will be made with the teacher before the visit. Visitors will not be allowed during the final minutes of the day, or during testing times.

CODES OF BEHAVIOR

STUDENT CODE OF BEHAVIOR

Christian character is expected and reinforced in all aspects of school life. VCS expects students to strongly demonstrate this by their actions.

By enrolling in Valley Christian School, I (the student) agree:

- To willingly, respectfully, and immediately submit to those in authority over me. This includes my teachers, support staff, Extended Care supervisors, and administrators.
- To arrive **on time**, with all materials, textbooks, and assignments needed for each class. I will be prepared to learn when I enter each classroom.
- To treat the school property with care and respect. I understand that repair, repayment, or replacement costs for any damage to school property will be the responsibility of my family.
- To strive to act and communicate (verbal or written) in a way that would be pleasing to the Lord Jesus. I will not use profanity or vulgar gestures.
- To treat every person in the school with kindness and respect. I understand that each of us is a unique and special creation of God, and deserves to be treated as God commands us. I should always show the love of Jesus.

- To work diligently to keep a teachable and cooperative attitude. I understand that it is my job to be at school and do the work needed to be a successful student for God's glory.
- To challenge myself to achieve my own personal best in academics.
- To find out what assignments I missed on any absent days, to do the work, and to turn it in to my teacher within the deadline given.
- To be a leader in whatever capacity God desires me to be. I will set a good example for others.
- To recognize that being at Valley Christian School is a **privilege** not a **right**. I understand that breaking the classroom and school rules may result in my expulsion.

PARENT CODE OF BEHAVIOR

By enrolling my child in Valley Christian School, I agree:

- That the school shall have the authority to discipline my child when necessary (no corporal punishment will be used) and I will encourage my child to comply with all school regulations. I agree to comply with all school regulations and guidelines. I agree to cooperate with the objectives of such discipline.
- To give my child permission to take part in all the school activities. I absolve the school from liability for any injury to my child at school or during any school activity, providing reasonable care has been taken to ensure my child's safety.
- That VCS does not tolerate profanity, obscenity in words or action, dishonor of God or God's Word, disrespect to personnel of the school, or continued disobedience of established policies of the school. I further understand that a student who persists in undesirable conduct will not be permitted to remain in school. I further understand that my behavior as an adult is equally important.
- To pay my account by the 15th of each month, and that non-payments may result in dis-enrollment for my child. I also agree to pay for any damages caused by my child.
- To bring my child to school on time.
- To contact **the teacher first** if there is a dispute. I shall seek to resolve any issues without *discussing them with other parents or through means of social network*.
- That I acknowledge the policies and procedures adopted by VCS, and will endeavor to respond in a way that is harmonious with them.
